**STANDARD CONTRACT TERMS AND CONDITIONS FOR GENERAL MERCHANDISE AND COLD STORAGE WAREHOUSES
(AS ADOPTED BY UNANIMOUS VOTE BY REPRESENTATIVES OF THE SHIPPERS, BANKERS, RAILWAYMEN AND WAREHOUSEMEN AT A
GENERAL CONFERENCE, APRIL 30, 1926, AT WASHINGTON, D.C.; AND AS APPROVED OCTOBER 30, 1926,
BY THE U.S. DEPARTMENT OF COMMERCE.)**

TENDER FOR STORAGE - Sec. 1. (a) All goods for storage shall be delivered at the warehouse properly marked and packed for handling. The storer shall furnish at or prior to such delivery, a manifest showing marks, brands or sizes to be kept and accounted for separately and the class of storage desired; otherwise the goods may be stored in bulk or assorted lots, in freezer, cooler or general storage at the discretion of the warehouseman and will be charged for accordingly.

(b) The word "lot" as used herein means the unit or units of goods for which a separate account is to be kept by the warehouseman. Delivery of all or any units of a lot shall be made without subsequent sorting except by special arrangement and subject to a charge.

(c) The warehouseman undertakes to store and deliver goods only in the packages in which they are originally received.

STORAGE PERIOD - Sec. 2. (a) All goods are stored on a month to month basis, unless otherwise provided. A storage month shall extend from a date in one calendar month to, but not including, the same date of the next and all succeeding calendar months but if there be no corresponding date in the next succeeding calendar month it shall extend to and include the last day of that month. When the last day of a final storage month falls on Sunday or a legal holiday, the storage month shall be deemed to expire on the next succeeding business day.

(b) Except where other procedure is provided by the warehouse receipts act, the warehouseman may, upon written notice to the storer of record and to any other person known by the warehouseman to claim an interest in the goods, require the removal of any goods by the end of the next succeeding storage month. Such notice shall be given by delivery in person or by registered letter addressed to the last known place of business or abode of the person to be notified.

INSURANCE, STORAGE RATES, EXPIRATION AND TRANSFERS - Sec. 3. (a) All charges for storage are on a month to month basis unless otherwise provided. Charges for any particular lot shall begin at the receipt of the first unit of that particular lot in store and shall continue and include the storage month during which the last unit of the particular lot is delivered. Charges shall be made on the basis of the maximum number of units in any particular lot in store during a storage month. All charges for storage are due on the first day of a storage month and all other charges are due when incurred.

(b) Instructions to transfer goods on the books of the warehouseman are not effective until delivered to and accepted by him and all charges up to the time transfer is made are chargeable to the storer of record. If a transfer involves rehandling the goods, it will be subject to a charge.

(c) The warehouseman reserves the right to move, at his own expense of transfer, and upon notice sent by registered mail to the storer of record and to the last known holder of the negotiable warehouse receipt, any goods in storage from any room of the warehouse in which they may be stored to any other of his rooms or warehouses; but if such storer or holder takes delivery of his goods in lieu of transfer, no storage charges shall be made for the current storage month.

(d) When rates are quoted by weight they will, unless otherwise specified, be computed on gross weight and 2,000 pounds shall constitute a ton.

(e) Goods are not insured nor do storage rates include insurance unless so specified in writing. (Adopted with the understanding that in any state requiring insurance by statute the words "or required by statute" would be considered a part of the standard terms and conditions.)

HANDLING - Sec. 4. (a) Handling charges cover the ordinary labor and duties incidental to receiving goods at warehouse door, stowing and delivering to warehouse door, but do not include unloading or loading of cars, vehicles or vessels, unless or specified. Handling charges will be billed with the storage for the first month.

(b) Goods, at the request of a storer, received or delivered during other than usual business hours will be subject to an additional charge.

CAR UNLOADING AND LOADING - Sec. 5. (a) Charges for unloading or loading cars include use of switch track, labor required to or from warehouse door, and billing of car.

(b) Dunnage and fastenings supplied by the warehouseman and used in loading out cars are chargeable to the storer.

(c) Any additional costs incurred by the warehouseman in unloading cars containing damaged goods are chargeable to the storer.

(d) The warehouseman, unless he has failed to exercise due care and diligence, shall not be responsible for demurrage, nor for delays in unloading inbound cars, nor for delays in obtaining cars for outbound shipments.

DELIVERY REQUIREMENTS - Sec. 6. (a) No goods shall be delivered or transferred except upon receipt by the warehouseman of complete instructions properly signed by the storer.

(b) When a negotiable receipt has been issued no goods covered by that receipt shall be delivered, or transferred on the books of the warehouseman, unless the receipt, properly endorsed, is surrendered for cancellation, or for endorsement of partial delivery thereon.

(c) When goods are ordered out, a reasonable time shall be given the warehouseman to carry out instructions, and if he is unable, due to causes beyond his control, to effect delivery before expiring storage dates, the goods will be subject to

charges for another storage month; except when the warehouseman has given notice in accordance with the provisions of Sec. 2b, or because of fire, act of God, war, public enemies, seizure under legal process, strikes, or lockouts, riots and civil commotions, if he is unable, due to causes beyond his control to effect delivery before the expiring storage date, the goods shall be subject to storage charges only for the part of the month during which the goods remain in store.

BONDED STORES - Sec. 7. A charge in addition to regular rates will be made for merchandise in bond.

MINIMUM CHARGES - Sec. 8. A minimum charge will be assessed for storage, handling and other services.

EXTRA SERVICE - Sec. 9. (a) Extra services in the interest of the storer, such as special warehouse space, material, drayage, repairing, coopering, sampling, weighing, repiling, inspection, physical warehouse checking, compiling stock statements, collections, revenue stamps, reporting marked weights or numbers, handling railroad expense bills, etc., are chargeable to the storer.

(b) Stock statements submitted in duplicate by the storer will be checked with the books of the warehouseman without charge.

(c) Shipping includes marking, tagging, billing, procuring and forwarding bills of lading and is chargeable to the storer.

(d) Freight and other disbursements made on behalf of the storer are due and payable on demand and subject to interest from date billed by the warehouseman.

(e) Storers, including holders of negotiable receipts, may, subject to insurance regulations and reasonable limitations, have access to their goods in store when accompanied by a warehouse employee whose time is chargeable to the storer.

LIABILITY - Sec. 10. (a) The responsibility of a warehouseman, in the absence of written provisions, is the reasonable care and diligence required by law.

(b) Perishable goods, or goods which are susceptible to damage through temperature changes or other causes, incident to general storage, are accepted in general storage only at owner's risk for such damages as might result from general storage conditions.

SCHEDULE OF CHARGES - Sec. 11. Whenever provision is made in these Standard Contract Terms and Conditions for a charge or charges by the warehouseman such charge or charges will conform to the warehouseman's tariff in effect at the time the charge accrues or the service is performed, except that no increase in charges within the direct control of the warehouseman will be made on goods that are in storage without a thirty-day notice mailed to the storer of record or the last known holder of a negotiable warehouse receipt.

The property described on this receipt is stored and handled in accordance with the terms and conditions of the Contract and Rate Quotation approved by the American Warehousemen's Association. These Contract and Rate Quotation terms and conditions are repeated below for the convenience of the storer and others having an interest in the property.

STANDARD CONTRACT TERMS AND CONDITIONS FOR MERCHANDISE WAREHOUSEMEN

(APPROVED AND PROMULGATED BY THE AMERICAN WAREHOUSEMEN'S ASSOCIATION, OCTOBER 1968)

ACCEPTANCE - Sec. 1

(a) This contract and rate quotation including accessorial charges endorsed on or attached hereto must be accepted within 30 days from the proposal date by signature of depositor on the reverse side of the contract. In the absence of written acceptance, the act of tendering goods described herein for storage or other services by warehouseman within 30 days from the proposal date shall constitute such acceptance by depositor.

(b) In the event that goods tendered for storage or other services do not conform to the description contained herein, or conforming goods are tendered after 30 days from the proposal date without prior written acceptance by depositor as provided in paragraph (a) of this section, warehouseman may refuse to accept such goods. If warehouseman accepts such goods, depositor agrees to rates and charges as may be assigned and invoiced by warehouseman and to all terms of this contract.

(c) This contract may be cancelled by either party upon 30 days written notice and is cancelled if no storage or other services are performed under this contract for a period of 180 days.

SHIPPING - Sec. 2

Depositor agrees not to ship goods to warehouseman as the named consignee. If, in violation of this agreement, goods are shipped to warehouseman as named consignee, depositor agrees to notify carrier in writing prior to such shipment, with copy of such notice to the warehouseman, that warehouseman named as consignee is a warehouseman and has no beneficial title or interest in such property and depositor further agrees to indemnify and hold harmless warehouseman from any and all claims for unpaid transportation charges, including undercharges, demurrage, detention or charges of any nature, in connection with goods so shipped. Depositor further agrees that, if it fails to notify carrier as required by the next preceding sentence, warehouseman shall have the right to refuse such goods and shall not be liable or responsible for any loss, injury or damage of any nature to, or related to, such goods. Depositor agrees that all promises contained in this section will be binding on depositor's heirs, successors and assigns.

TENDER FOR STORAGE - Sec. 3

All goods for storage shall be delivered at the warehouse properly marked and packaged for handling. The depositor shall furnish at or prior to such delivery, a manifest showing marks, brands, or sizes to be kept and accounted for separately, and the class of storage and other services desired.

STORAGE PERIOD AND CHARGES - Sec. 4

(a) All charges for storage are per package or other agreed unit per month.

(b) Storage charges become applicable upon the date that warehouseman accepts care, custody and control of the goods, regardless of unloading date or date of issue of warehouse receipt.

(c) Except as provided in paragraph (d) of this section, a full month's storage charge will apply on all goods received between the first and the 15th, inclusive, of a calendar month; one-half month's storage charge will apply on all goods received between the 16th and last day, inclusive, of a calendar month, and a full month's storage charge will apply to all goods in storage on the first day of the next and succeeding calendar months. All storage charges are due and payable on the first day of storage for the initial month and thereafter on the first day of the calendar month.

(d) When mutually agreed by the warehouseman and the depositor, a storage month shall extend from a date in one calendar month to, but not including, the same date of the next and all succeeding months. All storage charges are due and payable on the first day of the storage month.

TRANSFER, TERMINATION OF STORAGE, REMOVAL OF GOODS - Sec. 5

(a) Instructions to transfer goods on the books of the warehouseman are not effective until delivered to and accepted by warehouseman, and all charges up to the time transfer is made are chargeable to the depositor of record. If a transfer involves rehandling the goods, such will be subject to a charge. When goods in storage are transferred from one party to another through issuance of a new warehouse receipt, a new storage date is established on the date of transfer.

(b) The warehouseman reserves the right to move, at his expense, 14 days after notice is sent by certified or registered mail to the depositor of record or to the last known holder of the negotiable warehouse receipt, any goods in storage from the warehouse in which they may be stored to any other of his warehouses; but if such depositor or holder takes delivery of his goods in lieu of transfer, no storage charge shall be made for the current storage month. The warehouseman may, without notice, move goods within the warehouse in which they are stored.

(c) The warehouseman may, upon written notice to the depositor of record and any other person known by the warehouseman to claim an interest in the goods, require the removal of any goods by the end of the next succeeding storage month. Such notice shall be given to the last known place of business or abode of the person to be notified. If goods are not removed before the end of the next succeeding storage month, the warehouseman may sell them in accordance with applicable law.

(d) If warehouseman in good faith believes that the goods are about to deteriorate or decline in value to less than the amount of warehouseman's lien before the end of the next succeeding storage month, the warehouseman may specify in the notification any reasonable shorter time for removal of the goods and in case the goods are not removed, may sell them at public sale held one week after a single advertisement or posting as provided by law.

(e) If as a result of a quality or condition of the goods of which the warehouseman had no notice at the time of deposit the goods are a hazard to other property or to the warehouse or to persons, the warehouseman may sell the goods at public or private sale without advertisement on reasonable notification to all persons known to claim an interest in the goods. If the warehouseman after a reasonable effort is unable to sell the goods he may dispose of them in any lawful manner and shall incur no liability by reason of such disposition. Pending such disposition, sale or return of the goods, the warehouseman may remove the goods from the warehouse and shall incur no liability by reason of such removal.

HANDLING - Sec. 6

(a) The handling charge covers the ordinary labor involved in receiving goods at warehouse door, placing goods in storage, and returning goods to warehouse door. Handling charges are due and payable on receipt of goods.

(b) Unless otherwise agreed, labor for unloading and loading goods will be subject to a charge. Additional expenses incurred by the warehouseman in receiving and handling damaged goods, and additional expense in unloading from or loading into cars or other vehicles not at warehouse door will be charged to the depositor.

(c) Labor and materials used in loading rail cars or other vehicles are chargeable to the depositor.

(d) When goods are ordered out in quantities less than in which received, the warehouseman may make an additional charge for each order or each item of an order.

(e) The warehouseman shall not be liable for demurrage, delays in unloading inbound cars, or delays in obtaining and loading cars for outbound shipment unless warehouseman has failed to exercise reasonable care.

DELIVERY REQUIREMENTS - Sec. 7

(a) No goods shall be delivered or transferred except upon receipt by the warehouseman of complete instructions properly signed by the depositor. However, when no negotiable receipt is outstanding, goods may be delivered upon instructions by telephone in accordance with a prior written authorization, but the warehouseman shall not be responsible for loss or error occasioned thereby.

(b) When a negotiable receipt has been issued no goods covered by that receipt shall be delivered, or transferred on the books of the warehouseman, unless the receipt, properly endorsed, is surrendered for cancellation, or for endorsement of partial delivery thereon. If a negotiable receipt is lost or destroyed, delivery of goods may be made only upon order of a court of competent jurisdiction and the posting of security approved by the court as provided by law.

(c) When goods are ordered out a reasonable time shall be given the warehouseman to carry out instructions, and if he is unable because of acts of God, war, public enemies, seizure under legal process, strikes, lockouts, riots and civil commotions, or any reason beyond the warehouseman's control, or because of loss or destruction of goods for which warehouseman is not liable, or because of any other excuse provided by law, the warehouseman shall not be liable for failure to carry out such instructions and goods remaining in storage will continue to be subject to regular storage charges.

EXTRA SERVICES (SPECIAL SERVICES) - Sec. 8

(a) Warehouse labor required for services other than ordinary handling and storage will be charged to the depositor.

(b) Special services requested by depositor including but not limited to compiling of special stock statements; reporting marked weights, serial numbers or other data from packages; physical check of goods; and handling transit billing will be subject to a charge.

(c) Dunnage, bracing, packing materials or other special supplies, may be provided for the depositor at a charge in addition to the warehouseman's cost.

(d) By prior arrangement, goods may be received or delivered during other than usual business hours, subject to a charge.

(e) Communication expense including postage, teletype, telegram, or telephone, will be charged to the depositor if such concern more than normal inventory reporting or if, at the request of the depositor, communications are made by other than regular United States Mail.

BONDED STORAGE - Sec. 9

(a) A charge in addition to regular rates will be made for merchandise in bond.

(b) Where a warehouse receipt covers goods in U.S. Customs bond, such receipt shall be void upon the termination of the storage period fixed by law.

MINIMUM CHARGES - Sec. 10

(a) A minimum handling charge per lot and a minimum storage charge per lot per month will be made. When a warehouse receipt covers more than one lot or when a lot is in assortment, a minimum charge per mark, brand, or variety will be made.

(b) A minimum monthly charge to one account for storage and/or handling will be made. This charge will apply also to each account when one customer has several accounts, each requiring separate records and billing.

LIABILITY AND LIMITATION OF DAMAGES - Sec. 11

(A) THE WAREHOUSEMAN SHALL NOT BE LIABLE FOR ANY LOSS OR INJURY TO GOODS STORED HOWEVER CAUSED UNLESS SUCH LOSS OR INJURY RESULTED FROM THE FAILURE BY THE WAREHOUSEMAN TO EXERCISE SUCH CARE IN REGARD TO THEM AS A REASONABLY CAREFUL MAN WOULD EXERCISE UNDER LIKE CIRCUMSTANCES AND WAREHOUSEMAN IS NOT LIABLE FOR DAMAGES WHICH COULD NOT HAVE BEEN AVOIDED BY THE EXERCISE OF SUCH CARE.

(B) GOODS ARE NOT INSURED BY WAREHOUSEMAN AGAINST LOSS OR INJURY HOWEVER CAUSED.

(C) THE DEPOSITOR DECLARES THAT DAMAGES ARE LIMITED TO _____, PROVIDED, HOWEVER, THAT SUCH LIABILITY MAY AT THE TIME OF ACCEPTANCE OF THIS CONTRACT AS PROVIDED IN SECTION 1 BE INCREASED ON PART OR ALL OF THE GOODS.

HEREUNDER IN WHICH EVENT A MONTHLY CHARGE OF _____ WILL BE MADE IN ADDITION TO THE REGULAR MONTHLY STORAGE CHARGE.

NOTICE OF CLAIM AND FILING OF SUIT - Sec. 12

(a) Claims by the depositor and all other persons must be presented in writing to the warehouseman within a reasonable time, and in no event longer than either 60 days after delivery of the goods by the warehouseman or 60 days after depositor of record or the last known holder of a negotiable warehouse receipt is notified by the warehouseman that loss or injury to part or all of the goods has occurred, whichever time is shorter.

(b) No action may be maintained by the depositor or others against the warehouseman for loss or injury to the goods stored unless timely written claim has been given as provided in paragraph (a) of this section and unless such action is commenced either within nine months after date of delivery by warehouseman or within nine months after depositor of record or the last known holder of a negotiable warehouse receipt is notified that loss or injury to part or all of the goods has occurred, whichever time is shorter.

(c) When goods have not been delivered, notice may be given of known loss or injury to the goods by mailing of a registered or certified letter to the depositor of record or to the last known holder of a negotiable warehouse receipt. Time limitations for presentation of claim in writing and maintaining of action after notice begin on the date of mailing of such notice by warehouseman.

Additional Terms and Conditions Applicable to this Contract and Rate Quotation.

Nothing entered hereon shall be construed to extend the warehouseman's liability beyond the standard of care specified in Section 11 above.
