## TERMS AND CONDITIONS

**Sec. 1. OWNERSHIP OF PROPERTY:** The customer has represented and warranted to the company that he is the legal owner or in lawful possession of the property and has the legal right and authority to contract for services for all the property tendered, upon provisions, limitations, terms and conditions herein set forth and that there are no existing liens, mortgages or encumbrances on said property. If there be any litigation as a result of the breach of this clause customer agrees to pay all charges that may be due together with such costs and expenses including attorney fees which this company may reasonably incur or become liable to pay in connection therewith and this company shall have a lien on said property for all charges that may be due them as well as for said costs and expenses.

**Sec. 2. PAYMENT:** Storage accounts are due and payable monthly in advance. Interest will be charged on accounts unpaid for a period of 3 months after they become due. The company has a lien on all goods moved or stored to secure payment for charges for all services rendered. All charges must be paid in cash, money order or certified check before delivery or transfer of goods deposited under this contract and no transfer of title will be recognized unless entered on the books of this company.

**Sec. 3. LIABILITY OF THE COMPANY:** (a) The company when transporting to or from the warehouse for permanent storage acts as a private carrier only, reserving the right to refuse any order for transportation and in no event is a common carrier.

(b) This contract is accepted subject to delay or damages caused by war, insurrection, labor troubles, strikes, Acts of God or the public enemy, riots, the elements, street traffic, elevator service or other causes beyond the control of the company.

(c) The company is not responsible for any fragile articles injured or broken, unless packed by its employees and unpacked by them at the time of delivery and in no event shall the company be liable except for its own negligence. The company will not be responsible for mechanical or electrical functioning of any articles such as, but not limited to, pianos, radios, phonographs, television sets, clocks, barometers, mechanical refrigerators or air conditioners whether or not such articles are packed or unpacked by the company.

(d) No liability of any kind shall attach to this company for any damage caused to the goods by inherent vice, moths, vermin or other insects, rust, fire, water, deterioration or normal wear and tear and mildew.

(e) Unless a greater valuation is stated herein, the depositor or owner declares that the value in case of loss or damage arising out of storage, transportation, packing, unpacking, fumigation, cleaning or handling of the goods and the liability of the company for any claim for which it may be liable for each or any piece or package and the contents thereof does not exceed, and is limited to, that amount per lb. designated on the front of this contract, or, if no amount is designated, to 60 cents per lb. per article for the entire contents of the storage lot, upon which declared or agreed value the rates are based, the depositor or owner having been given the opportunity to declare a higher valuation without limitation in case of loss or damage from any cause which would make the company liable and to pay the higher rate based thereon, and in no event shall the company be liable except for its own negligence.

(f) In the event the company shall be requested by the customer to engage the services of others with respect to the transportation, repair, cleaning or servicing of any article, the company shall act as agent for the customer and shall not be liable for any damage arising out of such services rendered by others and shall not be liable for failure to execute any instructions except for such instructions that are in writing and acknowledged in writing by the company. In the event the goods are delivered to another carrier, the company shall not be liable for loss or damage for any cause to said goods unless exception is noted in writing on the delivery receipt of this company when delivery is made.

(g) The company shall not be responsible for loss of or damage to any article contained in drawers, or in packages, cases or containers not packed and unpacked by the employees of the company unless such containers are opened for the company inspection and then only for such articles that are specifically listed by the customer and are receipted for the company or its agent.

(h) In no event shall the company be responsible for loss or damage to documents, stamps, securities, specie or jewelry unless a special agreement in writing is made between the customer and the company with respect to such articles.

**Sec. 4. MINIMUM PERIOD OF STORAGE:** On storage accounts, three months storage will be charged for any fraction of the first three months period. Thereafter one months storage will be charged for each month or fraction thereof.

**Sec. 6. ADDRESS AND CHANGE:** It is agreed that the address of the depositor of goods for storage is as given on the front side of this contract and shall be relied upon by the company as the address of the depositor until change of address is given in writing to the company and acknowledged in writing by the company and notice of any change of address will not be valid or binding upon the company if given or acknowledged in any other manner.

(c) The company shall have the right to inspect and repair alleged damaged articles.
