IMPORTANT NOTICE:

This estimate covers only the articles and services listed. It is not a warranty or representation that the actual charge will not exceed the amount of the estimate. Common carriers are required by law to collect transportation and other incidental charges computed on the basis of rates shown in their lawfully published tariffs, regardless of prior rate quotations or estimates made by the carrier or its agents. Transportation charges are based upon the weight of the goods transported, and such charges may not generally be determined prior to the time the goods are loaded on the van and weighed.

No guarantee can be made as to the specific dates of pickup or delivery of your shipment, unless you make special arrangements with the carrier for expedited service, for which an additional charge will normally be made.

NOTICE TO ESTIMATOR: It is mandatory that the total cubic footage shown on the Table of Measurements form be multiplied by not less than SEVEN to determine the total estimated weight.
